

SCS Global Services does hereby certify that an independent audit has been completed and conformity to the applicable standard(s) has been confirmed for:

Great Northern Timber Holdings Inc. - Musquodoboit Pellet Mill

201 1883 Upper Water Street, Halifax, Nova Scotia B3J 1S9, Canada

This certificate covers the production and trade of wood pellets for use in energy production at the organization's pellet mill in Musquodoboit, Nova Scotia and transportation to Port of Halifax, Nova Scotia, Canada. It also covers a Supply Base Evaluation for the sourcing of feedstock from the following Canadian Provinces/Territories: Nova Scotia, New Brunswick, and Prince Edward Island. The scope includes communication of Dynamic Batch Sustainability Data and conformance to Renewable Energy Directive 2018/2001/EU (REDII).

The assessment was conducted in accordance with SBP Standard 3, Certification Systems. Requirements for Certification Bodies, Version 2.0, 26 March 2015.

This company has been assessed and found to be in conformance with the requirements of SBP Standards 1, Feedstock Compliance Standard, SBP Standards 2, Verification of SBP-compliant Feedback, SBP Standards 4, Chain of Custody, SBP Standards 5, Collection and Communication of Data

Certificate Code: SBP-04-34

Date Issued: 12th December 2023

Expiry Date: 11th December 2028

The SBP Framework of Standards can be found at www.sbp-cert.org.
(December 2018)
